ABOUT ME

Hey there! I'm Masudur Rahman, a dedicated frontend developer who brings ideas to life with dynamic, responsive web applications. I work with tools like React, Next.js, and Tailwind CSS to create clear and user-friendly designs. I focus on writing clean, efficient code and finding smart solutions to make modern web development better.

SKILLS

Frontend Development:

- HTML5
- CSS3
- Tailwind CSS
- Bootstrap
- JavaScript (ES6+)
- React.js
- Next.js
- Responsive Web Design
- RESTful APIs

Tooling & Workflow:

- npm/Yarn
- Git/GitHub
- Visual Studio Code
- Figma (for design collaboration)

Other:

- SEO Best Practices
- Cross-Browser Compatibility
- Performance Optimization
- Debugging and Testing (Jest, React Testing Library)

EDUCATION

Web Development : (LWS) Learn with sumit, Reactive accelaretor Course.

Honours in English : National University of Bangladesh

MA (Kamil) : Islami Arabic University of Banglaldesh
